IMPORTANT STATISTICS

Engine	Power	Torque	Payload
6.6 litre V8 turbo Diesel	332 kw@ 2800 rpm	1233 nm@ 1600 rpm	2.502 tonne GCM 14.197 tonne

The most advanced heavy-duty pickup ever

You don't get to be the most dependable, longest-lasting full-size pickups on the road by tampering with what works. You build on proven success. You make your best even better.

Built heavy-duty strong to help get you through the most demanding jobs, the 2018 Silverado HD offers the proven power of our Duramax turbo-diesel V8 mated to the legendary Allison transmission - produced by the makers of the military tank transmissions.

With new exterior and interior designs, plus advanced safety features including the available Safety Alert Driver Seat, the 2018 Silverado 2500HD and 3500HD move the strong tradition of Chevy trucks decisively forward.

Have something to tow? With advanced technology like Trailer Sway Control, Silverado HD is a tow vehicle that combines brute strength with engineering refinement.

Drive train and mechanical

- 6.6 litre Duramax V8 diesel engine with direct injection
- Allison 1000 6-speed automatic transmission, electronically controlled with overdrive for smooth-shifting performance. Includes Tow/Haul mode and electronic Powertrain Grade Braking.
